To whom it may concern:

I have used UBER in Myrtle Beach on several occasions in the last few months. My experience was very pleasant; the service was top-notch and safe. Please do not hamper this fine service concept; it provides an excellent alternative for the traveling public.

Thanks for your attention.

As usual the state of SC is backwards and not forward thinking. I guess you guys are not making enough money from DUI's and lawyer fees. Allow Uber to do business in SC.

I have read that the SC Public Service Commission is taking steps to deny Uber transportation services to the public. I respectfully ask that you not deny the public access to these services. These services have been beneficial to me in the Mt Pleasant and Charleston, SC areas when I couldn't obtain the services of a taxi.

Leave it alone and let the free market settle it.

Uber is amazing! It provides a safe and affordable ride for me and my fellow citizens of Charleston, SC. It's also a great deterrent for drunk driving. Keep the fight going!!!
